Patrick Sarsfield and the Williamite War (History) Piers Wauchope

Patrick Sarsfield (1655-1693), undoubtedly one of the most romantic figures of Irish history, has always captured the popular imagination. This biography describes Sarsfield's unpromising early career where he was dismissed from the army, involved in a series of duels, and took part in two violent abductions of wealthy young widows. His second military career began after he had been seriously injured while serving as a volunteer at the battle of Sedgemoor. He survived to become the outstanding Irish soldier in the Williamite War. This book provides a detailed account of that war in Ireland, with special focus on Sarsfield's attack on Sligo, his part in the battle of the Boyne and his celebrated raid on King William's artillery train outside Limerick. Sarsfield's prominent and outspoken part in the politics of the day is evaluated, as are his actions in the final stages of the war at Athlone, Aughrim, and Limerick. His agreement to terms with the Williamites led to the treaty of Limerick. Within two years he died a general in the French army - the most celebrated Irishman of his time.

From reader reviews:

Clarence Danner:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a go walking, shopping, or went to typically the Mall. How about open or even read a book allowed Patrick Sarsfield and the Williamite War (History)? Maybe it is to become best activity for you. You know beside you can spend your time along with your favorite's book, you can smarter than before. Do you agree with their opinion or you have some other opinion?

Elizabeth Fischer:

Nowadays reading books become more and more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with education books but if you want really feel happy read one having theme for entertaining including comic or novel. Typically the Patrick Sarsfield and the Williamite War (History) is kind of guide which is giving the reader unstable experience.

Susan Douglas:

This Patrick Sarsfield and the Williamite War (History) is great e-book for you because the content that is certainly full of information for you who all always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great manage word or we can point out no rambling sentences inside. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tough core information with attractive delivering sentences. Having Patrick Sarsfield and the Williamite War (History) in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no guide that offer you world with ten or fifteen small right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt this?

Jillian Harrington:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Patrick Sarsfield and the Williamite War (History) can make you feel more interested to read.
