Patricia Arnold, author of *EARTH is the Mother of All Drama Queens*

Since childhood Margaret Johnson Pierce has always heard voices in her head. Trapped in a world of delusions and fears, she refused to believe either of her psychiatrists' diagnosis—one being schizophrenia and the other one psychic. Once the most powerful first lady of the renowned Mt. Olive Baptist church of Washington, D.C., she now spends her days sitting in her rocking chair in her bedroom planning her climb back to the top. But one person stands in her way--Pastor Alan Pierce, her husband, who threatens to have her committed to a mental institution. Nevertheless, Margaret knows his deep dark secret, but who will listen to her. She has no one, until the unforeseen happens.
