An Unexpected Match

Millicent Faircloud feels her dreams are coming true when she's assigned to photograph the construction of New York's tallest building—until she realizes it means working with fellow boarder Matt Sterling. He's handsome and kind, but the stubborn man doesn't understand her ambition.

Matt can't help but admire Millicent's spirit. But he's been hurt by a woman who cared only for her career, and he won't make that mistake again. Is Millicent more of the same, or would she put family first? If Matt can open his mind to new ideas, he may find love to be the best Christmas present of all.
