Fallen Angel: UFO Crash Near Laredo, Texas Noe Torres

On July 7, 1948, U.S. military aircraft chased a fast-moving, 90-foot-diameter silver disc across Texas before watching it crash about 30 miles south-southwest of Laredo, Texas. A military retrieval team reportedly recovered the UFO and the body of its non-human occupant from the impact site. Known as the "Laredo UFO Crash," this case occurred almost exactly one year after the famous Roswell UFO Incident and holds much of the same mystery and intrigue. For the first time ever, this book presents all of the evidence regarding this hotly-debated UFO case. Author Noe Torres has appeared on the History Channel's "UFO Hunters," George Noory's "Coast to Coast AM," the Jeff Rense Program, and many other shows. His previous books include the widely-acclaimed "The Real Cowboys & Aliens: UFO Encounters of the Old West", "Ultimate Guide to the Roswell UFO Crash", and "Mexico's Roswell." He is currently director of the Mutual UFO Network (MUFON) in South Texas.
