Charlie's homework was to explore the people and places in his community. "What is my community?" he asked his mother. So they took a walk to find out. With the bounce and humor that have characterized all her popular books over the years, Judith Caseley once again proves that when it comes to the primary school world, there is very little that she doesn't know. Charlie and his mother take a walk that can be taken by anyone with a keen sense of fun -- and open eyes and an inquiring mind.
