## **The French Resistance** Olivier Wieviorka

“Whatever happens, the flame of French resistance must not and will not go out.” As Charles de Gaulle ended his radio address to the French nation in June 1940, listeners must have felt a surge of patriotism tinged with uncertainty. Who would keep the flame burning through dark years of occupation? At what cost?

Olivier Wieviorka presents a comprehensive history of the French Resistance, synthesizing its social, political, and military aspects to offer fresh insights into its operation. Detailing the Resistance from the inside out, he reveals not one organization but many interlocking groups often at odds over goals, methods, and leadership. He debunks lingering myths, including the idea that the Resistance sprang up in response to the exhortations of de Gaulle’s Free French government-in-exile. The Resistance was homegrown, arising from the soil of French civil society. Resisters had to improvise in the fight against the Nazis and the collaborationist Vichy regime. They had no blueprint to follow, but resisters from all walks of life and across the political spectrum formed networks, organizing activities from printing newspapers to rescuing downed airmen to sabotage. Although the Resistance was never strong enough to fight the Germans openly, it provided the Allies invaluable intelligence, sowed havoc behind enemy lines on D-Day, and played a key role in Paris’s liberation.

Wieviorka shatters the conventional image of a united resistance with no interest in political power. But setting the record straight does not tarnish the legacy of its fighters, who braved Nazism without blinking.

#### **April Harry:**

Why? Because this The French Resistance is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.

#### **Brian Scheele:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The French Resistance can make you really feel more interested to read.
