The Gibson 335 Guitar Book: Electric Semi-Solid Thinlines and the Players Who Made Them Famous

Tony Bacon

(Book). The Gibson 335 Guitar Book tells the story of Gibson's ES-335 and related models, as played by B.B. King, Alvin Lee, and Eric Clapton, among other virtuosos. It's full of great guitars, cool players, and fascinating historical detail. The book traces the story from Gibson's first thinline models to the company's signature instruments and modern re-creations of today. The book is in the tradition of Tony Bacon's bestselling guitar series, with a carefully researched story, a gallery section of full-color pictures of the most important guitars and players, and a reference section detailing production years and specifications. The 335 was launched in 1958. It had a double-cutaway body, but the interesting features were hidden inside. A solid block in an otherwise hollow body created a new "semi-solid" structure, cleverly combining the sonic qualities of a hollowbody guitar and a solidbody. Variants included the stereo 345 and the upscale 355, and players have lined up ever since for a taste of these attractively different flavors. Some of those players featured in the book include Larry Carlton, Dave Grohl (Foo Fighters), Peter Hayes (Black Rebel Motorcycle Club), Justin Hayward (Moody Blues), Eric Clapton, Pepper Keenan (Down), B.B. King, Elvin Bishop (Butterfield Blues Band), Alvin Lee (Ten Years After), Alex Lifeson (Rush), Eddie Phillips (the Creation), Johnny Marr (the Smiths), Lee Ritenour, Andy Summers (the Police), Bill Nelson (Be-Bop Deluxe), and Andrew White (Kaiser Chiefs).

Bryan Perry:

Are you kind of a busy person, only have 10 or 15 minutes in your moment to upgrade your mind talent or thinking skill actually analytical thinking? Then you are having a problem with the book as compared to can't satisfy your small amount of time to read it because this time you only find a publication that needs more time to be examined. The Gibson 335 Guitar Book: Electric Semi-Solid Thinlines and the Players Who Made Them Famous can be your answer as it can be read by you actually who have those short spare time problems.

Donna Robinson:

As a university student, I exactly feel bored in order to read. If their teacher questioned them to go to the library or to make a summary for some guide, they are complained. Just little students that have reading's heart or real their leisure activity. They just do what the professor wants, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise, word says,

ways to reach Chinese's country. Therefore , this The Gibson 335 Guitar Book: Electric Semi-Solid Thinlines and the Players Who Made Them Famous can make you really feel more interested to read.
