“There is only one bond that I trust: between a woman and her sisters. We never take our eyes off each other. In love and in rivalry, we always think of each other.”

From the #1 New York Times bestselling author behind the upcoming Starz original series *The White Princess*, a gripping new Tudor story featuring King Henry VIII's sisters Mary and Margaret, along with Katherine of Aragon, vividly revealing the pivotal roles the three queens played in Henry VIII's kingdom.

When Katherine of Aragon is brought to the Tudor court as a young bride, the oldest princess, Margaret, takes her measure. With one look, each knows the other for a rival, an ally, a pawn, destined with Margaret's younger sister Mary to a sisterhood unique in all the world. The three sisters will become the queens of England, Scotland, and France.

United by family loyalties and affections, the three queens find themselves set against each other. Katherine commands an army against Margaret and kills her husband James IV of Scotland. But Margaret's boy becomes heir to the Tudor throne when Katherine loses her son. Mary steals the widowed Margaret's proposed husband, but when Mary is widowed it is her secret marriage for love that is the envy of the others. As they experience betrayals, dangers, loss, and passion, the three sisters find that the only constant in their perilous lives is their special bond, more powerful than any man, even a king.
