One man's quest for excitement, flavor, and a pay check, Yankee Lugnuts takes on the hard assignments and the pounding action. He lets adventure come his way, and he pleases all comers. Yankee Lugnuts is out for a good time and yet he needs a pay check. It's a good thing he can get both at the same time. Working security is his way to get paid, and security patrol is his way to get off. When this man in uniform comes walking along, the ladies know a real man is heading their way. Even when he's just riding his motorbike around town Yankee finds pleasure, and delivers it with intensity. Too bad he has to go back to work, yet he never knocks off without getting off, and always leaves every customer with a smile or at better yet a gleam in their eye.
