Following the hugely successful *Destination Unknown*, this is another collection of 14 prize-winning stories selected from the entries for the Tim Winton Young Writers Award. Written by 6-17 year-olds, Life Bytes are stories about real life situations and experiences - school pranks, bullying and teasing, starting at a new school, family holidays, family deaths, being different and doing your own thing. Whatever the topic, the writing is sometimes funny, sometimes moving, sometimes dramatic but always honest. It mirrors the concerns and delights, the problems and solutions with which young people grapple as they learn about themselves and life.
