## **Making Sounds (Sounds All Around Us)** Charlotte Guillain

How can we use our feet to make sounds? Books in this series introduce children to sound and hearing. Each book uses simple, repetitive text to teach children basic vocabulary, and includes stunning photographs that show how sounds can be made in many different ways. In Making Sounds, children learn how different parts of our bodies can make different sounds, and how we can interact with the world around us to make other sounds.
