## **Norton Motorcycles: From 1950 to 1986 (British Motor cycles since 1950)** Steve Wilson

This work is one of three titles that are reissues of core material from Wilson's six volume PSL series on classic British motor cycles. It concentrates on the Norton marque, and aims to provide a "must have" purchase in the classic bike market where brand loyalty still exists. With new introductions, they incorporate company stories, model histories, and detailed year by year machine changes. The other titles covered in the series are Triumph and BSA motor cycles.
