FOR ANYONE DESIRING TO HIT A VIRTUOUS SERVICE ACE. It is my personal intention, sole purpose and desire for this book, to draw attention to many of the outstanding tennis programs and organizations which continue to inspire, help and support countless others in their life and faith journeys. It is my hope that the inspiring stories of some of the tennis personalities, athletes, programs and charitable organizations mentioned in "The Art of a Virtuous Serve" may inspire your own life journey of faith, while helping you to develop and execute to perfection the kind of serve that we witness to each and every day of our lives on and off the tennis court. The true serve which improves lives, helps those in need, gives us hope and allows us to know of God's unconditional and immense love for all of us. This book was written for tennis players and even non-players with the desire to hit an occasional service ace whether it is on the court or not.
