Arthur Pink's *The Life of David Volume I* follows the early life of David in 1 Samuel through 2 Samuel 10. "The life of David marked an important epoch in the unfolding of God's purpose and plan of redemption. Here a little and there a little God made known the grand goal toward which all His dealings tended. At sundry times and in divers manners God spoke in times past. In various ways and by different means was the way prepared for the coming of Christ. The work of redemption, with respect to its chief design, is carried on from the fall of man to the end of the world by successive acts and dispensations in different ages, but all forming part of one great whole, and all leading to the one appointed and glorious climax." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death,' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
