Ross is more than interested in Loren. Unfortunately, he's not sure she can handle the real him, his darker side.

Until the night her world is ripped apart at the seams, and Ross can't fix it despite desperately wishing he could. The only thing he can do is help Loren through it the best he can, and spend the rest of their lives together showing her how he feels.

Now it's thirty years later, and the past comes calling. Loren doesn't know all the facts, but she knows Ross is the center of her world. She'll do anything and everything in her power to shield him. Because even though some things can't be fixed, Ross made them right. And Loren will face the past alone, if necessary, to save their future.
