On the day of Uncle Izzy and Sashi's wedding, Beni has butterflies in his stomach. As he walks slowly and steadily down the aisle with the wedding ring on the pillow, he hears friendly voices cheering him on. But just when Aunt Gertie calls out "Sheyna kup!" Beni loses his balance and accidentally tips the pillow--off rolls the ring! Will Beni find the ring in time for the wedding to go on?

In her signature style, Jane Breskin Zalben captures the joy, warmth, and tradition of a Jewish wedding celebration. Also included are brief introductions to wedding customs from around the world, as well as a recipe for Mama's Honey Wedding Cake.
