Welcome to our large print edition of Skeleton Crosswords, featuring all new puzzles! The rules of the puzzle are simple: solve the crossword. But there is a slight catch - the grid is not all there to start with as with a standard crossword. Instead you have to work out the grid pattern at the same time as solving the puzzle. This is why it is called a skeleton crossword, as you have to put the flesh on the bones of the grid in addition to solving the puzzle.

Instructions and solutions are included inside so if at any point you need a helping hand, take a peek towards the back!
