Homemade Natural Herbal Remedies - no more antibiotics! When one of your family members falls ill, what is the first thing you do? You probably pay a visit to your family doctor and, depending on the nature of the ailment, your doctor may prescribe a round of antibiotics. What you may not realize is that the very medicine your doctor gives you feel better may actually have a negative impact on your health. The same antibiotics that are designed to kill harmful bacteria can also come with nasty side effects including upset stomach, diarrhea, vomiting, or skin rash. Are you willing to take the risk that something designed to make you feel better could actually make you feel worse? If you are concerned about the risks associated with antibiotics, you may be interested to learn that there are a number of natural antibiotic remedies out there. Certain herbs and other natural ingredients have powerful antibiotic properties that can relieve your symptoms quickly and naturally – without a prescription. In this book you will learn the basics about natural herbal antibiotics and receive a collection of recipes to get you started in making your own herbal antibiotics at home. Recipes included in this book: *Flu Fighting Tea *Diaper Rash Cream *Cough Syrup *Earache Treatment *Fever Reducing Infusion *Wound healing clay And MANY more... REVIEW from Carrie on Amazon.com.au "I gave this book five stars because it is exactly what every person should read. Healing common ailments through natural remedies is safe, easy to do and reduces the amount of antibiotics people take for conditions that can be cured naturally. The writer describes the top twelve natural antibiotics and gives recipes to help clear common conditions. The body's own immune system can learn to heal naturally through these well-chosen remedies. I have been taking the cinnamon and lemon cough syrup for a niggling cough that has been plaguing me at night and it is far tastier and healthier than the over-the-counter variety. It has also successfully lessened my symptoms. This a must have book for your library!" Scroll up and click 'Buy now' to start your natural remedy journey!
