**The Zebra Lounge is a private club where dreams come true.** The right set of six lottery numbers opened many doors for Mark and Marlene. Mark was finally able to make his dream of an interracial club a reality. His goal was to supply as much big black cock to white pussies as possible. The club's concept came from one man's dream.

It is a meeting place where black men come to find white women to make more dreams come true. This happens each night it is open as the couples come to meet with one or more big black cocks to give each a mutual dream of shared sex.

Erotica writer Long John O'Tool brings his woman friend to sample the offerings at The Zebra Lounge. Several of his dreams come true as he watches first hand all that he writes about in his steamy tales of interracial sex.
