Wonder: From Emotion to Spirituality Robert C. Fuller

The attempt to identify the emotional sources of religion goes back to antiquity. In an exploration that bridges science and spirituality, Robert C. Fuller makes the convincing case that a sense of wonder is a principal source of humanity's belief in the existence of an unseen order of life. Like no other emotion, Fuller argues, wonder prompts us to pause, admire, and open our hearts and minds.

With a voice that seamlessly blends the scientific and the contemplative, Fuller defines wonder in keeping with the tradition of Socrates--as an emotion related to curiosity and awe that stimulates engagement with the immediate physical world. He draws on the natural and social sciences to explain how wonder can, at the same time, elicit belief in the existence of a more-than-physical reality. Chapters examining emotions in evolutionary biology and the importance of wonder in human cognitive development alternate with chapters on John Muir, William James, and Rachel Carson, whom Fuller identifies as "exemplars of wonder." The writings and lives of these individuals express a functional side of emotion: that the very survival of life on earth today may depend on the empathy, compassion, and care that are aroused by a sense of wonder.

Forging new pathways between the social sciences, philosophy, belief, and cultural history, *Wonder* deepens our understanding of the complex sources of personal spirituality and fulfillment.

Todd Lyons:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Wonder: From Emotion to Spirituality can make you truly feel more interested to read.
