Lords of Time 2017 Maya Calendar: Postcards from Antiquity Paul Johnson

122-page booklet/planner style calendar. A 47-page introduction graphically illustrates and explains basic information about the ancient Maya calendar. Calendar pages synchronize ancient Maya and standard Gregorian calendar systems with Maya date glyphs for each day. Featured artwork presents century-old postcards of the ancient Maya site of Quirigua by Guatemalan photographer Alberto Valdeavellano.

Patricia Ackermann:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
