Pagan Symbols of the Picts: The Symbology of pre-Christian Belief Stuart McHardy

Stuart McHardy examines the Pictish symbols which have been discovered on various items across Scotland. The book sets out a cohesive interpretation of the Pictish past, using a variety of both temporal and geographical sources. This interpretation serves as a backdrop for his analysis of the symbols themselves, providing a context for his suggestion that there was an underlying series of ideas and beliefs behind the creation of the symbols.
