Pioneiros Da Habitação Social - Vol 1, Os (Portuguese Edition) Nabil Bonduki

Este livro tem como ponto de partida o período que se inicia com a redemocratização do país em 1945, após oito anos de regime ditatorial, configurados no chamado Estado Novo. No presente volume, apresentamos alguns artigos que permitem dar um panorama, ainda que parcial, do que foram as lutas camponesas desde o final da década de 1940 até meados dos anos 80. Os textos fornecem um rico panorama das lutas no campo e suas nuances, fazendo desfilar um conjunto heterogêneo de personagens, que mostram quão diverso é o leque de configurações, variáveis no tempo e no espaço, que a categoria campesinato abrange.
