The Holy Spirit - She Is with Us: A Book of Revelation and Hope Catherine Amos

Realize there is a Feminine power to be acknowledged, a major force in the Trinity, in the Universe, that has too long been denied. Look to our past knowledge.

"To everything there is a season, and a time to every purpose under Heaven".. Ecclesiastes 3:1-8 This is the time of the season for spiritual awakening, and purpose under Heaven for this book is to bring to the forefront again, as it was in the past, the Feminine in The Holy Trinity - the Holy Spirit. Is the Holy Spirit mentioned in the Old Testament of the Bible or did the phrase just appear? Is it a being or a presence that Man has made up? Is it a force of God completing the Trinity? Is the Trinity God, our Father, the Holy Spirit, our Mother and Jesus, their son, our brother? We answer those questions, and more.

Throughout these pages, find out about the Feminine in religion throughout history, about the changes in the Bible, what was left out and why, what was changed. Why were most women left out of the religious books that have been the basis of the world's largest religions? "What is most interesting is the relationship through history between the gender of the major deity being directly determined by the gender in power".

We also find out about the Family of Humankind, what inroads we're making toward balance, what facts we're finding out at this juncture in time because it is the pre-destined point for us to expand our knowledge. The chapter 'With God, All Things Are Possible' reminds us to pray and to look for miracles all around us - we're all beginning to realize that there are no coincidences! Within the chapter 'Hope and Inspiration' we have compiled some words of wisdom and comfort to help through these difficult times.

"Your book is very enlightening. The way you present your ideas and findings and entwine them with scripture is great".

"I cried when I read this book - so much makes sense about what I've wondered in the back of my mind all my life. The comfort and peace in it is astounding".

"The knowledge presented, the urging to learn more, the inspirational segments imparted - a true little gem of a book!"
