Behind Illustrations 2 Index Book

Behind Illustrations 2 is the second volume to the original Behind Illustrations. Behind Illustrations showed the work of 40 illustrators from all over the world with very distinct styles and techniques. Each artist had 4 pages that showed some of their work, as well as a text that explores the inspiration and methodology behind the work. Behind Illustrations 2 brings even more innovative and exciting illustrators to the forefront, and looks behind the work to give a deeper, more personal vision of the artist.
