This is an winter themed journal, but you can use it any time of year. It will last for three months if you use it 20 days per month, each day's activities include about 5 or 6 pages of homeschooling bliss. Be sure to get the spring, autumn & summer journals too!

There is no religion, prayer or Bible activities in this book, but you can use the Bible Study Journal that matches this Journal: <http://www.amazon.com/Joyful-Bible-Coloring-Prayer-Journal/dp/1519759193>

Boys who like dogs, architecture, animals, movies, and winter sports will enjoy the fun activities.

Kids don't realize that this is a structured homeschooling curriculum, it's just so fun!

This Curriculum Journal is geared toward ages 9 to 17 - Students must be able to read on a 3rd grade level to get the most out of this method. This Journal requires more writing than the others and is recommended for teens and avid readers. Younger children will need more help, older students can work independently.

For grade level learning: Use the appropriate library books, movies and tutorials to customize the lessons for the child's age, interests, grade level, educational goals and learning challenges.

This Homeschooling Curriculum Journal is for students who love to learn using a variety of methods, and for moms who want their kids to be more independent with their schoolwork. Mom only needs to help for the first the days, and then the student can "Do-It-Himself".

This workbook includes over 400 pages! This creates 60 days worth of lessons and activities, that is about two hours of guided learning time every day.

Now you can learn everything you need to know with library books, movies and YouTube tutorials! Learn from nature. Be creative. Use your own imagination while studying up to 8 Subjects! This homeschooling journal will guide you through your stack of educational books and movies!

This book includes many activity pages: Spelling Practice, Math Practice Pages, Reading Time, Film Study, Meal Planning, Copywork, Listening Time, Observation Time, Emotion and Mood Evaluation, Nature Study, List Making, Therapeutic Coloring, and several other fun and educational activities.

Choose library books about anything you want to study including books about science, travel/geography, literature, cultures, skill building, math, inventions, history, and any other topic that is interesting or necessary.

Parents!

Now your student can turn any stack of books into a homeschooling curriculum. This handbook is an activity book and daily journal that allows your student to have a customized education without creating a lot of extra work for you.

Many students are more interested in real books than in textbooks! This is an excellent way to help your students to develop their talents, interests and deepen their knowledge of topics that are meaningful to them. Just visit the library and bring home 8 great books!

This homeschooling handbook was created by Sarah Janisse Brown, a dyslexia therapist and game designer with ten children. Sarah has over 25 years of homeschooling experience.

This curriculum handbook is wonderful for unschoolers, eclectic learners, delight directed homeschoolers and busy families. If you have babies and toddlers who need a lot of attention the older children can use this journal for everything, except math. This workbook is appropriate for dyslexic students, it includes Art & Logic Games to help with dyslexia, and uses the Open Dyslexic Font for easy reading.

This book can be used as a handbook for: Delight Directed Learning, Documenting Your Unschooling Journey, Charlotte Mason Inspired Homeschooling, Eclectic Homeschooling, Classical Homeschooling and Fun-Schooling.
