Handbook of Creativity

Handbook of Creativity

The goal of this handbook is to provide the most comprehensive, definitive, and authoritative single-volume review available in the field of creativity. The book contains twenty-two chapters covering a wide range of issues and topics in the field of creativity, all written by distinguished leaders in the field. The volume is divided into six parts. The introduction sets out the major themes and reviews the history of thinking about creativity. Subsequent parts deal with methods, origins, self and environment, special topics and conclusions. All educated readers with an interest in creative thinking will find this volume to be accessible and engrossing.
