College is not just for kids anymore. Whether it is to remain competitive by completing long-delayed degrees or for simple self-improvement, adults are returning to college in droves. But going to college as an adult is much different and can be more complex than as a teenager. Never Too Late To Learn is the definitive guide for those returning to higher education. It advises the older student on all areas of this endeavor, including:

Finding the right college and program based on one's specific needs

Maximizing transfer credits and getting academic records in order

Choosing a distance learning program, and other online opportunities

Taking standardized tests such as the GED, SAT, ACT, and GRE

Balancing college with a busy work and personal schedule

Creatively financing a college education
