*Anthony Shaffer*

**Operation Dark Heart: Spycraft and Special Ops on the Frontlines of Afghanistan** Anthony Shaffer  
Lieutenant Colonel Anthony Shaffer was part of a secret detachment of the US Army known as the 'Jedi Knights'. In "Operation Dark Heart", he reveals for the first time, and in amazing detail, the otherwise secret world of black operations and clandestine intelligence plots conducted by the Western allies in an alien terrain against often undefinable enemies. This book is a gripping and compulsive insight into the espionage world and into a complex labyrinth of agencies that do not like to share secrets. It is also the true and moving story of a twenty-first-century warrior.
