Ritual Journeys with Great British Goddesses answers the question, who is the great British goddess? It provides thirteen rituals for development and growth, one for each of the thirteen different great British goddesses who were worshipped by our British ancestors. The goddesses are described in both historical and mythological terms, with rituals, meditations, and poems to help readers form a relationship with the goddess. The rituals are linked to the modern months of the year and the Celtic fire festivals, solstices, and equinoxes. The rituals can be followed word for word or used as the starting point for personal creative rituals. Suggestions for creating unique rituals and how to do so with focus and in a safe environment are given. Enjoy a year of discovery with the great British goddess and explore the Celtic heritage of the British Isles. Susie Fox writes poetry, songs, and music in the British folk tradition; teaches music, Reiki, and Seichem; and is involved in two local pagan groups. She follows a Celtic-British path of paganism, focusing on healing.
