Some people in school are afraid of the kids in the Upside-Down Magic class. Others just call them flops. But Nory and her friends in Upside-down Magic won't let that stop them. Not with a school-wide talent show coming up!

Except... Nory's afraid her fluxing magic will go wonky and upset her father. Pepper is worried that her abilities as a Fierce will make all the animals in the show run wild. Bax has some extreme new magic skills, but they can also be extremely embarrassing. And Elliott suspects there's a Sparkie spy who's looking to uncover UDM's talent-show secrets-and to use those secrets against them.

In order to take the stage and make some magic, the Upside-Down Magic kids are going to have to band together... and find the right combination of talents to steal the show!
