The Works of Patrick Branwell Brontë: Volume 2, 1834-1836 (Routledge Library Editions: The Brontës)

The Works of Patrick Branwell Brontë: Volume 2, 1834-1836 (Routledge Library Editions: The Brontës)

This volume, first published in 1999, contains all of Patrick Branwell Brontë's known writings, excluding his letters, from 1834 to 1836. This title primarily focuses on the creation of Angria, and on the growing conflict between Alexander Percy, Earl of Northangerland, and Arthur Wellesly, Duke of Zamorna and King Adrian of Angria. All of the texts in this edition are based on Neufeldt's own transcriptions of the manuscripts, or, where the manuscript is unavailable, on the most reliable accessible text. This edition serves as a record for the growth and development of Branwell's writing, and it is hoped that it will help to dispel some of the myths and misconceptions that have become associated with Branwell's name. This book will be of interest to students of English Literature.
