Bolts From The Blue Dylan Morrison

'Bolts From The Blue' is an inspirational, out-of-the-box collection of disarmingly humorous, yet poignantly prophetic, daily reflections from Irish, mystical writer, Dylan Morrison. It sheds fresh light on the spiritual life and Divine Love, that Transcendent, yet Immanent Source from which all emerge and to Whom all shall return. Each short thought holds a key to Self discovery and personal freedom, advocating a new perspective on the Nazarene and His radical spiritual message. Morrison leads us out of our preconceived take on all things spiritual, leaving us in the more than capable hands of Divine Mystery, that much sought-after pearl of great price. If you are a recovering religious junkie or a novice spiritual seeker then this is the book for you.
