Chee Chee: A Study of Aboriginal Suicide (McGill-Queen's Native and Northern Series) Al Evans
Benjamin Chee Chee lived with anger and frustration for more than thirty years before he took his own life. An Ojibway artist who killed himself just as he was beginning to gain international recognition, Chee Chee is one of the thousands of aboriginal peoples in Canada who have committed suicide. Noted suicidologist and former RCMP officer Al Evans explores Chee Chee's wild, reckless, creative life to reveal how the clash between Native and White society has affected the suicide rate of young Native men and women, now among the highest in the world.
