Growing a Therapist

Jeffrey A. Kottler

Growing a Therapist Jeffrey A. Kottler

In his poignant memoir, therapist, teacher, and writer Jeffrey A. Kottler discloses how he triumphed over a troubled childhood to become a well-respected therapist who wrestles with the same issues as his clients. By focusing on the wisdom gained from his life-long journey of self-healing, Kottler reveals how his experiences have made him better able to practice the art and science of helping others.

Kottler relates the details of his childhood experiences that shaped his personal and professional development. At an age when most boys were learning to play sandlot baseball, Kottler was a therapist in training" learning to help other people survive.

The incidents Kottler shares from his past, whether amusing or tormenting, are characterized by their brutal honesty: a marginal student, he enters college mainly to avoid the draft; Kottler's long-time mentor and friend abruptly terminates their relationship; as a young man he becomes involved in an obsessive love relationship that causes him to entertain thoughts of suicide. Through illustrative stories, Kottler shows how he used his pain to become sensitized to the anguish of others.

Today, Kottler has the credentials of a successful professionalthe author of more than a dozen books, a university professor, and renowned therapist. Yet what Kottler is best able to share with others in his field is his vulnerability. Because Kottler has the courage to speak the truth about his life and work he has given comfort to others who feel as imperfect and flawed as he does. Growing a Therapist speaks to the pain, joys, and demands of embarking on the journey of becoming a caretaker of the human spirit.

From reader reviews:

Melvin Paul:

Do you considered one of people who can't read pleasurable if the sentence chained inside the straightway, hold on guys this kind of aren't like that. This Growing a Therapist book is readable simply by you who hate those straight word style. You will find the details here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to offer to you. The writer associated with Growing a Therapist content conveys the idea easily to understand by most people. The printed and e-book are not different in the content material but it just different by means of it. So , do you still thinking Growing a Therapist is not loveable to be your top list reading book?

Marie Michael:

Reading a guide tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some investigation before they write for their book. One of them is this Growing a Therapist.

Terrie Newlin:

You are able to spend your free time to see this book this e-book. This Growing a Therapist is simple to develop you can read it in the recreation area, in the beach, train and soon. If you did not have much space to bring the particular printed book, you can buy the e-book. It is make you much easier to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

John Hayes:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Growing a Therapist can make you really feel more interested to read.
