Homeowner's Guide to Retrofitting: Six Ways to Protect Your Home From Flooding Federal Emergency Management Agency (U.S.)

The Federal Emergency Management Agency (FEMA) has prepared this guide specifically for homeowners who want to know how to help protect their homes from flooding. As a homeowner, you need clear information about the options available to you and straightforward guidance that will help you make decisions. This guide gives you both, in a form designed for readers who have little or no experience with flood protection methods or building construction techniques. This guide includes the updates to the residential flood protection methods and reflected changes made to the National Flood Insurance Program (NFIP).

Homeowners and community property managers located in flood zones, lowlands, and lands vulnerable to flooding following heavy rains may be most interested in this guide that offers practical tips and options to protect your residence.
