The Queen's Necklace

Alexandre Dumas

The Queen's Necklace Alexandre Dumas

"The Queen's Nicklace" dramatizes an unsavory incident in the 1780s at the court of King Louis XVI of France involving the King's wife, Marie Antoinette. Her reputation was already tarnished by gossip and scandal, and her implication in a crime involving a stolen necklace became one of the major turning-points of public opinion against the monarchy, which eventually culminated in the French Revolution.
