Assimil Le roumain sans peine - Learn Romanian for French speakers : Book+4CD+ 1CDMP3 (French Edition) V. Ilutiu

The Assimil method for teaching foreign languages is through the listening of audio cd's and the reading of an accompanying book, one side native language, one side foreign language. This method is focused on learning whole sentences, for an organic learning of the grammar. It begins with a long passive phase of only reading and listening, and eventually adds active exercises. Most books contain around 100 lessons, with the active phase starting on Lesson 50. The word Assimil comes from assimilation.

Several different series are published:

With Ease series, which teach basic rules of grammar and a vocabulary of 2000-3000 words;

Perfectionnement series, which teaches more advanced idiosyncrasies and idioms of the target language;

Business series, which focuses on vocabulary related to international business;

Idioms series, which teaches common idioms; Assimil applique dans ses méthodes un principe exclusif, très simple mais efficace, l'assimilation intuitive. Ce principe reprend, en l'adaptant, le processus naturel grâce auquel chacun d'entre nous a appris sa langue maternelle. Très progressivement, au moyen de dialogues vivants, de notes simples et d'exercices, Assimil vous amène au niveau de la conversation courante. Durant la première partie de votre étude, la phase passive, vous vous laissez imprégner par la langue en lisant, en écoutant et en répétant chaque leçon. Dans la seconde partie, vous abordez la phase active qui vous permet d'appliquer les structures et les automatismes assimilés tout en continuant à progresser. En quelques mois, vous parlez sans effort ni hésitation, de manière très naturelle. Des dialogues vivants et utiles qui vous garantissent une maîtrise rapide de la langue. Un choix de situations réalistes et actuelles. Une progression grammaticale soigneusement étudiée, pour un apprentissage intuitif. Des révisions systématiques pour consolider vos acquis. Des commentaires culturels passionnants un style unique plein d'humour pour apprendre avec plaisir. La possibilité d'écouter les leçons et les exercices en continu ou phrase par phrase. 2014 enregistrements mp3, fournis en qualité studio. L'affichage simultané des textes, si votre lecteur le permet.
