The Rachel Files: The Untold Secrets of the Rachel Nickell Investigation Keith Pedder

No one could have imagined that when beautiful young Rachel Nickell went for a walk on Wimbledon Common with her little son, it would have resulted in a wicked, sickening crime that appalled a nation; or that the police investigation that followed would cost millions of dollars. This is the inside story of that operation by the police detective that headed it up. It reveals information that has hitherto been withheld, and spectacularly prints letters from the police involved in the operation to the chief suspect that will astonish the reader and bring the details of this terrible case right back into the public eye.
