## **Rad Dad** Tomas Moniz

In his biggest issue ever, Tomas continues to focus on anarchism and parenting. Our trusty editor zeroes in on sex and love this time around—talking to his son about internet pornography, a disturbing story of a single mother who is fetishized as such, a few people's stories of polyamory and non-monogamy, a troubled tale of nude photos of children, a sad story about anarchist mentalities driving a wedge between a mother and her anarchist community, Dani Burlison bribes her daughter not to kiss a boy until she's 18, kids learning violence—from *Star Wars*, and an interview with Dr. Chris White about teaching sex education to sex educators.
