From the author of *Diary of a Working Girl*, a witty new novel about life on-and off-the A-list.

When Anna's private commentary regarding her boss's penchant for plastic surgery accidentally goes public, she's convinced her career is finished. Instead, Anna is given the once-in-a-lifetime chance to write a New York City nightlife column of her very own. The only problem is that she has to figure out what's hotter than hot-and fast.

What is most definitely hot is the sexy stranger who sneaks Anna into a fabulous club-and plants the kiss of the century on her lips. Now, ready or not, Anna's got a career and social life that would make most scenesters swoon. But soon Anna finds herself wondering if the most desirable things in life truly are on the A-list.
