A Minor Inconvenience Sarah Granger

Duty, honor, propriety...all fall in the face of love. Captain Hugh Fanshawe returned from the Peninsular War with a leg that no longer works properly, thanks to a French musket ball. Now his fight against Napoleon is reduced to quiet, lonely days compiling paperwork at Horse Guards headquarters. His evenings are spent dutifully escorting his mother and sister to stifling social engagements, where his lameness renders him an object of pity and distaste. But his orderly, restricted life is thrown into sudden disarray with the arrival of Colonel Theo Lindsay. Theo is everything Hugh is not-a man of physical perfection and easy yet distinguished address. Surprisingly to Hugh, Theo appears to be interested in making his acquaintance. Lindsay turns out to be a most convivial companion, and Hugh finds great pleasure in his company. Their friendship deepens when they become lovers. In spite of himself, Hugh falls desperately in love. But when a French spy is suspected at Horse Guards, Hugh discovers nothing is as it seems...and the paper he shuffles from day to day could be the instrument of his lover's death. Warning: Contains gallant English officers in love, dastardly French spies, skintight pantaloons (sometimes on the floor) and gleaming tasseled Hessians.
