Rebrand, Refresh, and Relaunch your books to increase sales! Book Relaunch is designed to provide authors with a ten step guide to review their brand, refresh their work, and relaunch it using proven strategies for increasing exposure throughout all stages of publishing. Book Relaunch was written with you in mind. Here are three reasons why this book would be the right choice for you: Reason 1: Strategies to implement with examples to support This book is not just long descriptions of what you should consider. Examples are used to demonstrate how the strategies can be carried out for a successful book relaunch. Reason 2: Case study backed information Not only have the topics in this book been researched, they have been applied to case studies. This means that the content you find here has already been used to produce real results. Reason 3: Practical advice by authors, for authors Theodore Roach and Rosa Sophia have teamed up to provide a wide range of experience as authors. With the combination of self-publishing and traditional publishing experience, you are provided advice from both perspectives. Gain insight to branding and marketing strategies used by bestselling authors. Take your book to the next level and become the author everyone wants to be. Don't be the writer that misses out on the opportunity to spend more time writing and less time marketing while sales increase. Be the kind of writer other people see and say, "I don't know how they do it!" Be the kind of writer who takes immediate action and drives for results instead of waiting for something to happen. Take control of your book sales now, make a plan, and enjoy watching your book sales rise!
