- High school teachers -- for their classrooms - Economics classes
 - Co-op students

WHY READ THE BOOK

The original title of my book was *What I Wish I Had Known Before Going to College*. I packed the book with information I thought was helpful for getting a good start in life from career planning, college planning, financial planning for college and the real world, and sharing lessons learned in life that are important for success. I tried to make the book interesting through writing in first person and providing real life examples. The book is intended to be used as a reference throughout one's lifetime. -- Katherine Berntzen, Author

ABOUT THE AUTHOR

Katherine Berntzen uses her experience as a management consultant to large and mid-sized companies and as a former college recruiting administrator for a large Fortune company to convey what employers are looking for in new college graduates and beyond. She identifies what you can do for yourself in high school, college, and your professional career to be more marketable to employers and to manage your own finances. Berntzen has provided personal and professional development training to college students and seasoned professionals since 1994. She holds a Master of Business Administration and Master of Public Health from Benedictine University, and a Bachelor of Arts in Economics from the University of Texas at Austin.
