Somebody Up There Hates You: A Novel Hollis Seamon

“Chemo, radiation, a zillion surgeries, watching my mom age twenty years in twenty months . . . if that’s part of the Big Dude’s *plan*, then it’s pretty obvious, isn’t it? Enough said.”

Smart-mouthed and funny, sometimes raunchy, Richard Casey is in most ways a typical seventeen-year-old boy. Except Richie has cancer, and he's spending his final days in a hospice unit. In this place where people go to die, Richie has plans to make the most of the life he has left. Sylvie, the only other hospice inmate under sixty, has a few plans of her own for Richie. What begins as camaraderie quickly blossoms into real love, and this star-crossed pair is determined to live on their own terms, in whatever time remains.

From reader reviews:

Patrick Richards:

What do you with regards to book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need this particular Somebody Up There Hates You: A Novel to read.

Mary Ponce:

As people who live in often the modest era should be revise about what going on or information even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Somebody Up There Hates You: A Novel is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Emma Lavigne:

The reserve untitled Somebody Up There Hates You: A Novel is the e-book that recommended to you to study. You can see the quality of the reserve content that will be shown to an individual. The language that writer use to explained their ideas are easily to understand. The author was did a lot of investigation when write the book, hence the information that they share to you personally is absolutely accurate. You also could get the e-book of Somebody Up There Hates You: A Novel from the publisher to make you far more enjoy free time.

Michael Beebe:

This Somebody Up There Hates You: A Novel is great reserve for you because the content that is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it data accurately using great manage word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having Somebody Up There Hates You: A Novel in your hand like obtaining the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen moment right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that will?
