Grow Authentic, Gospel-Shaped Community

We don't want to be alone. We want to love and be loved; and we know that genuine relationships make our lives rich. But somehow living in community always ends up being harder than we thought. This nine-lesson small group study helps participants learn how the Spirit shapes diverse people into a Christ-centered community that reflects Jesus to a watching world. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside the group setting. The self-explanatory *Leader's Guide* helps small group leaders with discussion questions and background material that clearly explain and apply the gospel truths from each lesson.
