Symptoms of love and other diseases.

We all have them, we all relate to them, and we all have a deep need to know that we are not alone, that other people share the same diseases of the heart, mind, and soul. That is to say, they share the same heartache, the same love, the same lust, and the same hate.

Yet, often the language of poetry leaves us feeling more confused and more alone after reading it.

Written in easy to understand English, without being buried under a complex haze of metaphors and symbolism, "Symptoms of Love and Other Diseases" puts the understanding back into poetry.
